

Annual Membership Dues (membership year runs from July 1-June 30)

NOTE: Only First Family Members receive *Skating* magazine subscription. If multiple family members wish to receive *Skating* magazine, each needs to pay the First Family Member rate.

| Membership Category | First Family Member | Additional Family Members (each) |
|--|----------------------------|---|
| Home Club Member Includes Junior and Senior Members. Includes US Figure Skating registration, subscription to <i>Skating</i> magazine, permission to test and compete | \$80 | \$55 |
| College Member 4-year USFS Collegiate Membership, plus 4-year Cutting Edge FSC Membership. Provides all regular USFS/CEFSC privileges: <i>Skating</i> magazine subscription and testing and competition rights. You must be enrolled in a four-year college or university | \$110 | N/A |
| Non-Home Club (Associate) Member Includes Senior, College, and Junior Members whose US Figure Skating registration is with another club. Includes the same benefits as a Home Club Member except no <i>Skating</i> magazine subscription | \$50 | \$25 |
| Introductory Member (new category) Introductory Members are individuals who have never been a full member of US Figure Skating (excluding Basic Skills Members). This rate applies to your first year of membership only. Includes US Figure Skating registration, subscription to <i>Skating</i> magazine, permission to test and compete | \$65 | N/A |
