### Coaches assigned!

Final coaching assignments have been made as follows:

### Music confirmed!

The coaches have met and decided on this season's music for each team. Kristen had sent an email last week listing the songs, but I wanted to repeat it here for those who may have missed it.

Beginner 1: "Locomotion" by The Chiffons and "Twist" by Chubby Checker

Pre-Juvenile: "Conga" by Gloria Estefan and "Hot, Hot, Hot" by Buster Poindexter

### Team Apparel & Competition Costumes

We will be measuring all skaters for team apparel this Sunday before practice, so please plan to arrive 30 minutes before your scheduled floor practice start time to be measured. If your skater is new to the IceStars, please have her wear a practice dress and tights to these first practices until we receive our team apparel. Returning skaters should wear last year's practice dress for now.
